

Helping those who help patients

# PerfectVENT

A simple solution for a Better Work Environment

Air flow causing problems with paraffin sections or other delicate laboratory procedures?

Air flow disturbing patients, clients or office workers?

PerfectVENT is the simplest solution to controlling your air flow.

PerfectVENT installs in minutes

## PerfectVENT the Air Flow Solution

- ◆ Eliminate annoying downdrafts. PerfectVENT directs the air across the ceiling, not in face or on your head.
- ◆ More consistent room temperature as the heated or cooled air is circulated more evenly in all directions.
- ◆ Easy Installation. Quickly installs over existing commercial or residential 24"x24" vents.
- ◆ Meets safety specs. Made of durable, lightweight ABS plastic. Meets UL94JB flammability rating.
- ◆ Made in U.S.A.
