

Cassettes for the  
**Primera** cassette printers  
**In QuickLoad™ Stacks**

Available in QuickLoad™ Stacks or Bulk.

**Specially designed for the automated and manual Primera Cassette printers.**

## Cassettes for Primera® Printers

Made of acetal

Disposable plastic cassettes hold tissue specimens during processing and embedding, as well as in storage. Molded from a special high-density polymer, these cassettes keep specimens safely submerged in liquid and are resistant to the chemical action of most histological solvents. **The efficient flow-through slots maximize fluid exchange and ensure proper drainage.** As required they can be opened or closed and they always relock securely without danger of specimen loss. Available in 11 colors.

### HISTOSETTE II®

Automated feed printer		Manual feed printer		
50 stacks per case Case 2000		Individual Cassette 2 dispenser boxes of 500 cassettes and 1 dispenser box of 1000 covers / Case 1000

## M407 MICROMESH™ for Primera® Printers

Made of acetal

The MICROMESH offers 1676 square openings (0.38 mm) allowing for a greatly improved fluid exchange without having to use biopsy pads. Large anterior and posterior slots in both cassette and cover ensure that the MICROMESH™ Biopsy Cassette will sink rapidly. A large square compartment with a side measuring 27mm is perfect even for needle biopsies. The cover does not protrude above the cassette, a great space-saving feature.

Molded from a special high-density polymer, these cassettes keep specimens safely submerged in liquid and are resistant to the

chemical action of most histological solvents. The MICROMESH™ mesh ensures efficient fluid exchange and drainage. The integral lid eliminates the need for separate steel lids.

They can be opened and closed and always relock securely without the danger of specimen loss. The anterior writing area is at a 45° angle.

### Anatomy of Micromesh™ Cassettes

The pre-installed cover is a great space-saving feature, allowing more cassettes to be stacked in automatic labeling machines and storage drawers.

QuickLoad™ Stacks  
for Robotic feed printer

### M407/M407T MICROMESH™

Individual Cassette for manual feed printer  
4 dispenser boxes of 250 / Case 1000

QuickLoad™ Stacks for Robotic feed printer
